Notes:

1. CORPORATE INFORMATION

EVOC Intelligent Technology Company Limited (the “Company”) is a joint stock limited liability company established in the People’s Republic of China (the “PRC”). The address of its registered office and principal place of business is located at EVOC Technology Building, No. 31 Gaoxinzongsi Avenue, Nanshan District, Shenzhen, the PRC.

2. PRINCIPAL ACTIVITIES

The Group engages in the research, development, manufacture and distribution of Advanced Process Automation (“APA”) products in Mainland China. APA is a computer system built to allow users to adopt hardware and software applications to perform a dedicated function or a range of dedicated functions such as data processing, generating, interpreting and executing control signals, etc. and is embedded into a product, device or a larger system. APA products manufactured and distributed by the Group are widely applied in areas of tele-communication, industrial, military, electricity generation, video frequency control, transportation, Internet, commerce and finance, etc.

3. BASIS OF PREPARATION AND PRINCIPAL ACCOUNTING POLICIES

The condensed consolidated financial statements were unaudited. The condensed consolidated financial statements have been reviewed by the audit committee of the Company.

The Company was established in the PRC on 18 December 2000 as a joint stock limited company under the PRC’s Company Law and its H shares were listed on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) (the “GEM”) on 10 October 2003. The Company transferred from the GEM to the Main Board of the Stock Exchange on 12 July 2010.

The Group’s unaudited condensed consolidated financial statements for the six months ended 30 June 2011 have been prepared in accordance with Hong Kong Financial Reporting Standards (“HKFRSs”) (which also include Hong Kong Accounting Standards (“HKASs”) and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”), accounting principles generally accepted in Hong Kong and the disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on the Stock Exchange. The accounting policies adopted are consistent with those followed in the preparation of the Group’s annual financial statements for the year ended 31 December 2010. They have been prepared under the historical cost convention, as modified for the revaluation of buildings and investment properties.

The Group has adopted the standards, amendment and interpretations that have been issued and effective for the accounting periods beginning on or after 1 January 2011. The adoption of such standards, amendment and interpretations did not have material effect on these results.

4. SEGMENT INFORMATION AND TURNOVER

The Group determines its operating segments based on the reports reviewed by the chief operating decision-maker that are used to make strategic decisions.

During the years ended 31 December 2010 and 2009, the Group principally operated in one reportable business segment only, which is the research, development, manufacture and distribution of APA products. All operating assets and business activities of the Group were located and conducted predominantly in the PRC.

The Group’s revenue from external customers is principally derived from its operations in the PRC. The Group’s customer base is diversified and there was only one external customer (2010: one) with whom transactions have exceeded 10% of the Group’s revenues. Revenues from this customer for the six months ended 30 June 2011 amounted to approximately RMB86,456,000 (2010: RMB110,882,000).

Turnover represents the invoiced value of goods sold and services provided to customers, net of estimated customer returns, rebates and other similar allowances and exclude value added tax.
